Greencastle League Will Conduct Financial Drive

Mrs. John Ricketts, chairman and Mrs. William McK Wright, Mrs. Lawrence Goodhue and Mrs. Austin Howard, members of the Finance Committee, announce that Wednesday, Oct. 6, will see the start of Greencastle's League of Women Voters' annual financial drive. Members of the League will call on public-spirited citizens who wish to contribute to a better community through a stronger League.

The League of Women Voters is a non profit, volunteer organization and is financed by dues and membership contributions and by gifts from interested citizens. All funds for the entire organization are raised at the local level. One third of the League's income comes from dues assessed by local Leagues, two-thirds chiefly from contributions by members and interested non-members. Local Leagues adopt annual budgets which include voluntary pledges for support of state and national work. Greencastle's eighty-six member League has an annual budget of \$880. The combined expenditures of local, state and national League total nearly \$1.95 million a year, about sixty-four percent of which is spent by local Leagues in their own communities, twenty-three percent by state Leagues, and thirteen percent at the national level. No salaries are paid to any officers or directors.

The effort to further individual political effectiveness is a continuous function of the League. Year-round it supplies the citizen with factual information.

Need No Warrant

WASHINGTON UPI — The White House said Thursday President Johnson had signed into law a bill to permit Secret Service agents to make on-the-spot arrests in certain circumstances without a warrant.

This makes the Secret Service authority comparable to that of FBI agents and federal marshals. Previously, the Secret Service had no authority to arrest persons without a warrant, even if they appeared to be a threat to the president.

Locally the program can be seen on Channel 6 every Sunday at 9:30 a. m. Sponsoring the program in this community is Peace Evangelical Lutheran Church, of which the Rev. Robert F. Andersen is pastor.

SAIGON UPI — Five Vietnamese criminals not identified with the Viet Cong were executed by a firing squad today. It was presumed the Communists would not use the occasion for reprisal slayings of U.S. war prisoners.

The five were put to death in the Central Market Place in downtown Saigon. They had been convicted of such crimes as murder, rape and robbery but were not known to be members of the Viet Cong.

The Viet Cong early this week announced they had executed two American prisoners of war in reprisal for the execution last week in Da Nang of three Viet Cong agents. A U.S. prisoner was killed last June, also in reprisal for the execution of a terrorist by the South Vietnamese.

More than 300 white-uniformed police and army troops surrounded the market place, ringed with shops and stalls built in a circle of neatly trimmed grass, shrubs and flowers.

The men executed were identified as Thach Inh, 29; Lim Phinh, 33; Phan Van Chinh, 31; Nguyen Thanh Hnon, 30, and Do Qui Diet, 28. Precisely at 5 a. m., three police cars and a truck containing the condemned men raced into the market. (Continued on Page 2)

Three Motorcycle Club Members At Rotary

The Wednesday meeting of the Greencastle Rotary Club was enlivened by the appearance of three members of the Indianapolis BWW Motorcycle club. The club takes its name from the initials of the German motorcycle which all its members own and ride. Each of the members of the club is a business or professional man in Indianapolis. The club numbers as members, doctors, lawyers, executives, etc. and the members

range in age from forty to seventy years. The various speakers gave a history of sport motorcycling in the United States during this century, citing many examples of speed and endurance contest and other travel adventures. The speakers emphasized that the general bad name now associated with motorcycling is the result of over publicity given to a few individuals or groups such as the notorious "Hell's Angels" of California. Sport motorcycling, they emphasized demands caution and reason in the use of the machine.

145,000 U. S. Citizen Soldiers

WASHINGTON UPI — The organized Army Reserve faced a bleak future today under the Pentagon's plan to bring to combat readiness 145,000 citizen soldiers for possible duty in Viet Nam.

To carry out the new plan, Defense Secretary Robert S. McNamara announced Thursday that he had ordered the dissolution of 751 Army Reserve units — including all six of the Reserve's infantry divisions — containing 55,000 men.

He said the "high priority" units selected for intensive training will comprise 135,000 men from the National Guard and only 10,000 from the organized Reserve.

Thus, in effect, what McNamara did was to push ahead with a plan Congress refused to approve under his proposed

merger of the Reserves and the National Guard. Congress rejected this on grounds it should not be carried out in the midst of an emergency such as the Viet Nam war.

But he told his news conference that the new plan was different in that no merger of units is involved. In addition, he said, key members of Congress approved the action in advance.

The men of the 751 Army Reserve units ordered dissolved now can join other Reserve

Sheinwold On Bridge

Congress Should Stop Two Bad Suit Breaks
By Alfred Sheinwold

Any Congressman who wants to be reelected should introduce a law to prohibit two suits from breaking badly in the same hand. Something has to be done about this, or half the bridge players in the country will go broke.

South ruffed the second heart, drew three rounds of trumps and led out two top diamonds. East's heart discard was a shock.

Since South's trumps were all gone he could not ruff out the jack of diamonds and still get back to his hand for the rest of the suit. He cashed the queen of diamonds to discard a spade from dummy and tried the spade finesse in the hope of limiting the spade loss to one trick.

No luck. The spades broke badly, and South was down one.

If you're not running for reelection you might point out that South's contract is cold against any break and that he doesn't need a law to protect him.

MUST FINESSE

South should draw three rounds of trumps ending in the dummy and then lead a diamond to finesse with the ten. The contract is safe whether the finesse wins or loses.

If the finesse wins, South can take three more diamonds to discard two low spades from dummy. Then he leads spades, giving up one spade trick at most.

If the diamond finesse loses, South can take the spade return with dummy's ace and lead dummy's other diamond to run the rest of the suit. South discards all of dummy's low spades on the diamonds, and ruffs his spade at the end with dummy's last trump.

Any politician who gets technical about hands like this can't expect to get the bridge playing vote—unless he introduces an even better law—to abolish the number 1400.

DAILY QUESTION

As dealer, you hold: S-A Q J 6 4 H-Q 7 D 5 3 C-Q 10 9 5. What do you say?

ANSWER: Pass. The hand is not quite worth an opening bid, largely because the two unsupported queens are not really worth 2 points each. If you changed the queen of hearts to a small heart and the queen of clubs to the ace of clubs, the point count would be unchanged, but the hand would then be worth an opening bid of one spade.

Psalm 107:6.

Trouble and affliction, distress and danger, are facts in human experiences. These experiences have led many persons to despair or to bitterness. How should we react to the crises of life? For one thing, and most important of all—let us remember that God knows and cares.

Cast Doubt Of Any Agreement

WASHINGTON UPI — Republican congressional leaders cast doubt on chances of House-Senate agreement this year on a self-government plan for the District of Columbia.

Senate GOP Leader Everett M. Dirksen said it would "take the wisdom of Solomon" to achieve an acceptable compromise between the bills passed by the two chambers.

The Senate bill, favored by the administration, calls for a mayor-city council form of government, elected next year. The House Wednesday junked that plan and passed instead a bill to set up a charter board to draft a home rule plan, subject to approval by Congress.

"The two bills are diametrically opposed," said House GOP as well as voters.

have exceeded those of Hitler, Mussolini and Tojo in their times," Peng said. But his statement appeared more temperate than a speech made Wednesday by Vice Premier Chen Yi who challenged the United States, Britain and India to invade China so that all three nations could be "wiped out."

S. imperialism insist on imposing war on the Chinese people, the Chinese people who are armed with Mao Tse-tung's thought will certainly be able to shoulder the great responsibility of restoring U. But aside from calling for formation of a broad international front against the United States, Peng displayed some reserve concerning the advances of the Peking regime.

He said that China "still comparatively backward in

PUBLIC SERVICE INDIANA

Start Campaign For Better Driving Habits

A statewide campaign to impress the basic rules of safe driving upon Indiana motorists, has been initiated by Farm Bureau Insurance, according to Jack J. Rosebrough, executive vice-president of the company.

Radio is the media being used on the theory that many drivers will be contacted while they are actually operating their cars, says Rosebrough. The campaign is built around a series of 60-second commercials, all based upon rules and regulations stated in the Driver's Manual or upon accident statistics reported by the Indiana Office of Traffic Safety. A network of 12 stations is being used.

"Good driving habits are based upon exercising sound fundamentals," says Rosebrough. "A football coach keeps rehearsing his athletes on fundamentals, regardless of how long they have been playing. Experienced drivers need to be reminded about the fundamentals of safe driving, in much the same way."

As a leading insurer of vehicles in Indiana, Farm Bureau Insurance has both the desire and the responsibility to help keep highways safe, says Rosebrough. For example, he points out that company officials have long served in executive capacities in the Indiana Safety Foundation, the National Safety Council, and the governor's Safety Advisory Committee.

GEHL ROTARY SHREDDERS

Gehl now offers you two new rotary shredders for weeds, grass and pasture clipping as well as stalk shredding. These Clean-Cut Shredders are available in a 72-inch model which easily handles two rows of stalks and the giant 144-inch unit that cuts a full four rows.

CC-6 The handy 6-ft. Clean-Cut gives you 20% more cutting capacity than the conventional 60-in. shredders. Available in either pull-type or pick-up models, the Gehl is especially useful in controlling the corn borer.

CC-12 One of the many features of the 12-ft. Clean-Cut shredder is the "V" shield attached to the rear bottom side of the hood. With the "V" in place, you get perfect spreading with your shredding. Without it, you leave an even windrow. A heavy-duty hitch enables you to pull a disc behind the shredder.

Stop in soon. Ask to see the new Gehl Clean-Cut... the right move in rotary shredding.

GEHL More than a century of service. Make us Prove it with a Demonstration!

COMMISSIONERS CLAIM
The Putnam County Board of Commissioners will meet in regular session Monday October 4, 1965 at 9:00 a.m. in the Court House in Greencastle, Indiana, to consider the following claims:

TIGERS TO FACE VALPO IN HOMECOMING

Nearly 6,000 are expected for the 15th renewal of the DePauw-Valparaiso football rivalry Saturday at 2:15 p.m. in Blackstock Stadium.

The homecoming battle matches a pair of ICC foes who have been at it since 1920 and turned in a fairly inconclusive 7-6-1 mark. The Crusaders are one up.

A pair of lopsided wins over Alma, 30-6, and St. Joseph's, 37-13, gives DePauw a decided 2-0 advantage in the won-lost column. Valparaiso, drawing perennially tough Wabash and Ball State for openers, has been victimized both times on its home field, 7-0, and 14-6.

Like a trap ready to spring shut, Valparaiso has been with in striking distance of victory in both games. A sparkling sophomore quarterback, Jon Dimitri, is well remembered by the current crop of DePauw sophomores, many of them now fixtures of Coach Tom Mont's surprising '65 squad.

Dimitri hit 14 of 18 in helping Valpo frosh dispose of De-

Pauw last fall, 41-14. In two varsity games he has hit on 18 of 33 for 245 yards. Not one has been intercepted.

Against Ball State last week-end Dimitri hit 12 of 21 for 186 yards. According to DePauw scouts, three of his errant shots could have been caught for touchdowns.

"With Dimitri's passing, and their good receivers and running backs, I don't see how they can keep from scoring," assistant coach Ed Meyer said after watching them lose out to Ball State's talented Cards. "They are too good to have only one touchdown in two games." The Crusaders split their efforts 50-50 against Ball State. They ran 26 times for 113 yards and used the same number to pick up 302 in the air. The Crusader defense, a question mark early in the year, yielded 238 yards to State on the ground in 54 cracks and 68 yards in the air on nine attempts.

Meyer may see his worst fears realized here Saturday. The DPU-Valpo game has traditionally been a wide open one

with the two clubs alternating winners every year except one since 1954.

Valpo salvaged a share in the ICC five-way tie last fall by overcoming DePauw 21-14 on

the uncanny passing of quarterback Dave Lass.

Passing has become a fairly accustomed choice of attack, however, to DePauw.

Alma threw 17 and St. Joe

unloaded with 28. Only 17 were caught for a total of 195 yards and none went for touchdowns. On the other hand, the Tigers have picked off every fifth enemy pass and have turned five

interceptions into scores.

DePauw's line play will be beefed up this week with the return of defensive tackle Ralph Larsen. The squad's biggest man at 238, Larsen has

been out since pre-season drills with an injured knee.

Tackle Bill Fox pulled a muscle in the St. Joe tilt, but is a probable starter for Valpo.

Coach Tom Mont doesn't plan

any lineup shifts for Valparaiso. He expects to go with sophomore fullback Percy Hargrove, who picked up 84 yards in 21 carries at St. Joe and who was named Tiger back of the week for the effort.

At halfbacks it probably will be Tim Feenster, 180 pound sophomore, and Chuck Byrum, 165-pound senior. Eric Lortz, mainly because of his exceptional running (6 yards per carry in 24 tries) and passing (11 per throw and a completion mark of .640) is set to go at quarterback.

DePauw's offensive line from end to end will include Dick Walker (195), Mark Moore (225), Steve Barr (195), Jerrold Barton (205), John Adlard (205), Bill Fox (220), and Tom Coper (208).

It was both-way lineman Ed Gardner, 236-pound senior tackle, who was named lineman of the week for the Tigers after the St. Joe game. The agile pre-theological student and his cohorts limited the Pumas to 145 yards rushing in 41 tries.

Estimated 6,000 Will See Tigers in Action

Drysdale Pitches 4-0 Shutout; Dodgers Need One to Clinch Tie

The "case of the stolen pennant" may be wound up tonight to the satisfaction of the Los Angeles Dodgers and the con- sternation of nine National League rivals.

The light-footed, sleight-of-foot Dodgers have cut their magic pennant-clinching number to "two"—and it could come up tonight if they beat the Milwaukee Braves and the San Francisco Giants lose to the Cincinnati Reds. A Dodger victory would clinch a tie for the flag no matter what the Giants do tonight, Saturday or Sunday.

Their rivals are still saying

they don't know how they did it but the Dodgers can point to at least two Giant reasons — pitchers Sandy Koufax and Don Drysdale, whose combined total of 48 victories is the most by any National League two-man combination since 1939.

It was Drysdale's turn to overpower the opposition Thursday night and overpower the Braves is exactly what he did with a three-hit, eight-strike-out performance that earned the Dodgers a 4-0 victory. It was Drysdale's seventh shutout of the season and marked the second time in a week that he

and Koufax have put shutouts back to back.

The Dodgers' 13th straight victory, seven of which were shutouts, continued the most amazing season-ending drive since the 1935 Chicago Cubs closed out the season with 21 straight wins. Dodger pitchers have allowed a total of 14 runs in the 13 victories.

The 6-foot, 6-inch, 220-pound Drysdale embellished his 23rd triumph of the season with two hits in three tries and raised his club-leading average to .302. He singled home a run in the Dodgers' two-run second inning and had another single later in the game.

As usual, the Dodgers used their speed to advantage. Maury Wills' 94th steal of the year forcing a throwing error that led to a run in the fifth and two singles, a walk and a sacrifice fly producing another typical Los Angeles "Cheapie" in the sixth.

Drysdale, who struck out eight batters raising his season total to 210, didn't allow a hit until Felipe Alou singled in the fifth. He was in trouble only in the eighth when Joe Torre's single and Mike De La Hoz's double put runners on second and third with one out but he retired pinch-hitters Gene Oliver on an infield liner and Denis Menke on a strikeout.

Claude Osteen (15-14) is scheduled to pitch for the Dodgers tonight with Denver Lemaster (6-13) going for the Braves. The Giants have Bob Bolin (13-5) going against the Reds' Sammy Ellis (21-10).

The Giants pulled out a 5-3 victory over the Reds Thursday when Orlando Cepeda hit a two-run ninth-inning homer. The big first baseman, who had batted only 31 times previously this season, delivered his game-winning blow after a single by Hal Lanier. Masanori Mura-

kami, working in relief of 22-game winner Juan Marichal, received credit for his fourth win while 11-game winner Joe Nuxhall suffered his fourth defeat.

The St. Louis Cardinals routed the Houston Astros 19-8 in

the only other N.L. game and the Minnesota Twins defeated the Baltimore Orioles 7-6 in the only American League action.

Lou Brock and Curt Flood had four hits each and Jerry Buchek drove in five runs with a homer and a double to lead the Cardinals' 19-hit attack which brought Nelson Briles his third win. Chuck Harrison had three hits for the Astros.

Jim Kaat picked up his 18th win for the Twins with the help of a grand slam homer by Zoilo Versalles 2 1/2 innings of strong relief pitching by Al Worthington. The victory was Minnesota's 101st of the year.

Hurtubise Wins; Receives Award

MILWAUKEE, Wis. — The checkered flag that ended the last stock car race of the season here, recently, also wrote the final chapter in auto racing's most triumphant comeback story.

Jim "Hercules" Hurtubise, seemed destined to go down in racing history as one of the sport's greatest "chargers" whose colorful career was ended by near-fatal burns sustained

in a tragic accident here at State Fair Park in June of last year. However, the plucky 32-year-old North Tonawanda, N. Y. chauffeur made the experts eat their words when he led a 1-2-3 Plymouth sweep of the USAC 250-mile finale for stockers here, September 19th.

Hurtubise also won going away when balloting was held for the Tony Bettenhausen Memorial Trophy, awarded annually by the Miller Brewing Company to the outstanding driver of the Milwaukee season. His popularity with the fans and his forceful win of the race, with a two lap lead, was unmistakable to members of the press who voted him the Bettenhausen award.

It was entirely fitting that the first win on Jim's long road back to racing prominence should come at Milwaukee, the very place where in June, 1964, his tragic accident indicated he would never race again. Despite many heartbreaks that hampered his return to the sport—at Trenton Langhorne, Indianapolis and even Milwaukee, where he crashed his new Plymouth into the wall while attempting to qualify for one of the State Fair week races—Hurtubise has finally proven beyond a doubt that he's back on top.

CHIAVENNA, Italy UPI — Doctors said today that Leonardo Illia, son of the president of Argentina, was recovering satisfactorily from an appendectomy and was expected to leave the hospital Monday.

Young Illia was stricken with appendicitis last Saturday while visiting relatives here.

North Salem Wins Big Four Cross Country Meet Thurs.

North Salem captured the Big Four Conference cross country meet held last night at Pittsboro with the low score of 73 points.

Bainbridge grabbed second place with 78, Wells tallied 84 points for third, Pittsboro managed fourth with 104, New Ross totaled 109, number six team was Fillmore with 131 points, Waveland grasped seventh place with 140 1/2, and Roachdale secured eighth place with 147 points.

Jim Albin, Bainbridge's fleet-footed entry in the meet, led the entire race and chalked off the fast time of 9:49 for the little less than two mile course. Fill-

more's Jack Miller pushed Albin all the way to grab second place in the meet with the fast time of 9:51.

Ball State and Evansville to Meet in Clash of Unbeatens

Ball State and Evansville, two undefeated college football teams, will meet Saturday, Oct. 2, at Muncie in Ball State's annual homecoming game. A crowd of in excess of 10,000 is expected at Ball State field for the 2:00 p.m. (EST) contest.

Evansville has gotten off to a fast start for the second consecutive year with wins over Bradley, 14-13, and Southeast Missouri, 23-6. The Purple Aces won four straight conference games last year before falling to Ball State, 23-16, in Evansville. EC and BSU tied with Butler, Indiana State and Valparaiso for the ICC championship with 4-2 records.

Coach Paul Beck has rebuilt the Aces after losing his fine passing combination of Kim DeVault and Bob Glaser by graduation. This year's squad is touted as a strong defensive team which could prove dangerous.

Ball State is also off to a fast start with wins over Indiana State (Pa.), 26-14, and Valparaiso, 14-6. The win over Valparaiso was the first since the ICC was formed in 1951.

Ball State and Evansville have met fourteen times on the gridiron with the Cardinals holding a 9-5 cumulative series lead. The Cardinals' win last year was their fourth consecutive victory over the Purple Aces.

Two teams have met twice before in Ball State homecom-

ings with the Cardinals winning 35-16 in 1958 and Evansville winning 10-7 in 1960. Ball State's homecoming football record through the years stands at 21 wins, 15 losses and two ties.

Coach Ray Louthen's team has never lost a BSU homecoming game. Since taking over as head mentor four years ago, the Cardinals have topped St. Joseph's, 15-0, in 1962, Indiana State, 15-7, in 1963 and St. Joseph's, 33-7, last year.

The St. Louis Cardinals routed the Houston Astros 19-8 in

Longhorn Get Rating Honest Says I.U. Scout Mourouzis

BLOOMINGTON — Defensive Backfield Coach Nick Mourouzis, who scouted Texas for Indiana in preparation for Saturday's intercollegiate clash in Austin, says the Longhorns have come by their high national ranking honestly.

Mourouzis, who watched Texas win Tulane, 31-0, and Texas Tech, 33-7, characterized Texas as an offensively and defensively well-drilled club which uses relatively few plays and a basic defense but executes them perfectly.

The Texans, he reported, are a ball-control team, holding the ball for 94 plays against Tulane and 83 against Texas Tech. They use a basic wing-T, flip-flopping the line and back for strong and weak sides.

Most impressive of the Longhorns to Mourouzis is All-American Tommy Nobis, who at 6-2 and 230 pounds is remarkably agile and fast. His fame is founded chiefly on his linebacking but he goes both ways, playing guard on offense.

Spuzik in Seventh

BONSALL, Calif. UPI—W. Sandra Spuzich, Indianapolis, was tied for seventh with two other golfers today, going into the second round of the Mickey Wright Invitation Pro-Am golf tourney here.

Miss Spuzich fired nines of 36 and 38 Thursday for a first-round 74, six strokes off the leading pace set by Kathy Whitworth.

Big 10 Teams Represent Week's Top Action

By Ed Sainsbury
UPI Sports Writer

CHICAGO UPI — Five of the nation's top 10 college football teams will be in Big Ten competition this weekend and the national ratings could be turned topsy-turvy as the aftermath.

Two Big Ten conference games highlight the eight game program, Illinois at Michigan State and Iowa at Wisconsin, and the winners of the pair will move into a deadlock with Northwestern at the top of the conference heap.

Michigan State, unbeaten in

two games and rated No. 7 nationally, was a six point choice for its home game with the Illinois, but coach Duffy Daugherty warned his squad of overconfidence, and declared that Illinois would determine "just how good we are."

The scrap will match potent backfields, headed by quarterback Steven Juday and fullback Bob Apisa of the Spartans and quarterback Fred Custardo and fullback Jim Grabowski of the Illini, behind inexperienced lines.

Illinois, with its experience packed into its backfield, got topflight performances from

rookies last week in punching out a 48-0 decision over Southern Methodist, while Michigan State's newcomers were impressive in its win over Penn. State.

Iowa, with a 1-1 record, was a touchdown choice over the winless Badgers, whose best performance so far was a scoreless tie with Colorado. The Hawkeyes, surprise victims of Washington State in the opener, came back last week and demonstrated expert passing, as expected, in whipping Oregon State.

Northwestern, on top of the league standings temporarily by virtue of its win over Indi-

ana, meets No. 9 rated Notre Dame. The game will be the first for Alex Agase, Wildcat head coach, against the former Northwestern tutor, Ara Parseghian, now the Notre Dame coach. The Irish were 17 points favorites, now for the game.

Indiana, with a 1-1 record, faced one of the toughest struggles, a trip to Texas to meet the No. 2 ranked Longhorns, who were a 19-point favorite.

Purdue, rated No. 1 after its win over Notre Dame, also will travel to Texas for a contest with Southern Methodist in the Cotton Bowl. The Mustangs

were classed a two touchdown underdog, but no Big Ten team ever has won in the Cotton Bowl, of for that matter scored a point.

Michigan, No. 5 rated, was a touchdown choice for it home struggle against unbeaten Georgia, No. 11 in the ratings. The Wolverines also have won both starts to set up the old meeting by a conference team involving two unbeaten clubs.

Missouri was a one point favorite to trip Minnesota, while the Ohio State game at Washington, the national television contest, was rated even.
